* Felix sales have been discontinued. Effective immediately, there will be no new activations of Felix radios on the network.

** Lucius sales as well as Marconi conversions have been discontinued effective immediately.

There will be no new Lucius radio activations on XNET, except for Marconi conversions already in progress as of July 22, 2024.

XNET will continue Marconi conversion program for Roofus, Magnus and 436Q radios for the time being. However, **XNET reserves the right to temporarily pause or terminate Marconi conversion program for these radios at any time without notice.**

Please note, that **the legal owner of the radio** must reset it to the latest factory firmware and deregister it from SAS, prior to onboarding via Marconi GTW. XNET does not provide resetting or conversion assistance. Please visit our Discord for additional info.
